## TERSELY TOLD.

Mrs. L. L. Abbott, of Milton, is in the city on a visit to her son, Police Officer Abbott.

P. K. Nelson, of the Quarantine Station, was in town on business yesterday and made a short call at the Journal office.

Edward C. Patterson, of Savannah, of the Export Company, of that place, and J. C. Little, of Jacksonville, with the newly formed Naval Stores Export Co., are in the city and will attend the meeting of the operators here today.

Captain Enoch Eldridge, of the tug Britannia, entertained his friend, W. H. Neale, of the Journal mechanical department, in a most enjoyable manner Sunday, on board that vessel. A run was made out into the gulf and an excellent dinner was served on the trip.

Gabe Jacoby, who was a resident of Pensacola several years ago, but has been residing in Shreveport, La., for the past six years, is in the city on a visit to his brothers, Laz, Joe and Mitch Jacoby. He will probably be here for several days more, and is being gladly greeted by his many friends.

A meeting of the Landrum baseball team was held last night, when two games were arranged for Sunday, one in the forenoon and the other in the afternoon. These will be played with the West End team. The line-up will be as follows: Berras, catcher; Miller, pitcher; Childerson, first base; Bergen, second base; Klumpker, third base; Griffin, short stop; Touart, left field; Mertens, center field; Pine, right field.

A pudding is doubly good if flavored with Blue Ribbon Lemon or Vanilla Extract. At your grocers.

## THE FLORIDA PRESBYTERY CONVENED YESTERDAY

LARGE NUMBER OF MINISTERS  
AND RULING ELDERS ARE IN AT-  
TENDANCE AND HELD INTER-  
ESTING SESSIONS.

The Florida Presbytery convened in this city yesterday morning, when at 11 o'clock a large number of ministers and ruling elders of this district met at the First Presbyterian church, and organized by the election of Rev. N. P. Quarterman, of Quincy, as moderator, and Elder T. M. Puleon, as temporary clerk.

The opening sermon was delivered by Rev. E. P. Mickel, D. D., of Madison, who was listened to with great interest. The sermon was a most interesting and instructive one.

The ministers present were: N. P. Quarterman, of Quincy; B. L. Baker, of Monticello; R. Q. Baker, of Argyle; E. E. Ervin, of DeFuniak; J. F. Ford, of Florida; E. P. Mickel, of Madison; J. S. Sibley, of Pensacola; H. C. Cushman, of Pensacola; O. C. Dolphin, of St. Andrews, and R. R. Anderson, of Milton. The ruling elders are: T. M. Puleon, of Monticello; R. J. Doffin, of Marianna; J. B. C. Newton, of Milton; J. T. Porter, of Grand Ridge; Judge Daniel Campbell, of DeFuniak; J. L. Douglas, of Ducho Valley; J. W. Stewart, of Freeport; Joan Sharrack, of St. Andrews, and C. V. Thompson, of Pensacola.

The afternoon service was devoted to hearing reports from the churches, and the examination of one candidate for ordination. The examination was very close and extensive, and was listened to with much attention by the congregation.

### The Evening Service.

The evening service was of an impressive nature, constituting the institution of the pastoral relation between the Pensacola Church and the Rev. Julian S. Sibley. Rev. R. Q. Baker presided and preached the sermon, also propounding the questions to pastor and congregation. Rev. E. E. Ervin charged the pastor and Rev. N. P. Quarterman charged the members.

These gentlemen were all most happy in their respective presentations of the obligations attaching to the relation.

The Presbytery will convene again this morning and continue the examination of Rev. Mr. Sibley, and the latter will to-night deliver a sermon upon some text chosen by the Presbytery.

## NOTICE SENT TO SHIPPERS

REGARDING NEW RULES GOVERNING THE DISPLAY OF STORM WARNING SIGNALS.

Local Observer Wm. F. Reed, Jr., of the weather department, has sent out notices to shippers and shipping masters regarding the future display of storm warning signals, and states that hereafter no signals will be displayed unless the wind attains a velocity of thirty-six miles per hour. The notice as sent out is as follows:

"Local Office, U. S. Weather Bureau, Pensacola, Fla., April 5, 1905. "Storm warnings will be displayed from the roof of the government building hereafter for winds of thirty-six miles per hour; heretofore, they have been displayed for expected velocities of thirty miles during general storms. Explanation of the storm warning flags will be furnished to those desiring them."

## THE DEATH OF M. W. CHURCHILL

FORMER PENSACOLIAN EXPIRED  
IN BOSTON SUNDAY AFTER  
LONG ILLNESS.

Capt. M. W. Churchill, formerly a resident of Pensacola, and who was well known here, expired in Boston Sunday after an illness covering a period of over a year. The news of his death reached Pensacola yesterday when his sons received a letter notifying them of the sad occurrence.

Mr. Churchill for many years held the position of stevedore for the Gulf Transit Company, and was considered one of the best men in this business in the south.

While here he suffered a paralytic stroke, and afterwards was in bad health, resigning his position to go to other points in the hope of recovering. He leaves a wife, who was with him at the time of his death, three sons, Walter, Raymond and Aaron, and one daughter, Miss Mary. The latter are in Pensacola.

Mr. Churchill was a member of the Masonic and Elk lodges. The remains will be interred in Yarmouth, N. S.

## ILLINOIS ON THE TARGET RANGE

BATTLESHIP PROCEEDED OUT  
YESTERDAY FOR HER ANNUAL TARGET PRACTICE.

The battleship Illinois, one of the finest ships of the fleet, proceeded out to the target range yesterday morning to engage in her annual target practice. Owing to the exceedingly rough weather, however, it is hardly probable that she began firing during the day. When the Kearsarge and Illinois return to port other vessels of the fleet will go out.

All of the ships of the fleet have moved further up the harbor, and are now anchored much further towards the east than heretofore. In fact the vessels are practically in the same positions that they occupied on their visit last year, and form a pretty sight, as a much plainer view can be obtained of them, owing to the fact that but few ships are anchored in that portion of the harbor.

Marine guards have been detailed on Palafox wharf by Admiral Evans, and each day they will heretofore patrol the wharf and keep order among the bluejackets. This was done last year with good effect.

## ENTERTAINMENT TO-MORROW NIGHT

The entertainment at Library Hall to-morrow night under the auspices of the Epworth League of the Gadsden Street M. E. Church promises to be a very delightful affair.

A large number of pictures will be shown and illustrated songs will be sung. The entertainment is entitled "An Evening With the Women of the Bible." The public is invited to attend.

"I have been subjected to sciotic rheumatism for years," says E. H. Waldron, of Wilton Junction, Iowa. "My joints were stiff and gave me much pain and discomfort. My joints would crack when I straightened up. I used Chamberlain's Pain Balm and have been thoroughly cured. Have not had a pain or ache from the old trouble for many months. It is certainly a most wonderful liniment." For sale by all druggists.

## PRETTY YACHT IS IN PORT

THE ZETA, OWNED BY CAPT. E. W. DEMMING, OF NEW YORK, IS HERE.

One of the most comfortable yachts ever seen at this port, reached Pensacola yesterday and is now lying alongside of the wharf near the barge office. The vessel is the Zeta, owned by E. W. Demming, of New York, and is on a return voyage to the metropolis.

Mr. Demming is accompanied by his daughter, Miss Demming, and her guests, Mr. and Mrs. I. A. Watson, of New York. They have been out for about eight months, remaining in St. Louis for a number of weeks, and later coming down the Mississippi to New Orleans.

From here the party will go to Key West and thence to Cuba, ending the voyage during the course of the next two or three months.

The Zeta is built more for comfort than beauty, although she is a handsome craft. The interior fittings are very handsome, and there are accommodations for a dozen or more passengers.

## Positive Proof

Should Convince the Greatest Skeptic in Pensacola.

Because its the evidence of a Pensacola citizen. Testimony easily investigated. The strongest endorsement of merit.

The best of proof. Read it: Z. A. Thomas, circulation manager of the Pensacola Daily Journal, and living at 913 East Lloyd street, corner of 10th avenue, says: "I had a dull aching pain in the small of my back at times which annoyed me greatly, and when I saw Doan's Kidney Pills advertised I thought they might cure it, so I procured a box at Sidney Kahn's drug store, No. 9 South Palafox Street. The result was all that could be wished. One box cured the trouble and there has not been the slightest sign of a recurrence. Should I have another attack in the future I shall surely resort to Doan's Kidney Pills as I know they can be depended upon to do all that is claimed for them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

## AVERY'S ADDRESS IN THE HOUSE

HE WAS SELECTED TO PRESENT  
THE NAMES OF THE CAUCUS  
NOMINEES AND DID  
SO IN ELOQUENT  
MANNER.

Following is the address of Hon. J. Campbell Avery, Jr., of Escambia county, who was selected to present the names of the caucus nominees in the house when that body assembled Tuesday morning:

"Mr. Chairman—It was my great pleasure and unexpected honor to be designated at last night's caucus to present the name of its nominees to the house this morning. I hope, Mr. Speaker, that I am not without full and proper appreciation and gratitude for this signal honor."

"I find very sincere pleasure in placing before this house the name of one of Florida's noblest and worthiest sons—a man about whom much has been said in words of credit and praise. I shall not again recite the many honors this distinguished gentleman has so deservedly won and so becomingly worn."

"I will simply congratulate the house upon its excellent judgment in its choice of a presiding officer for the session now opening, and I confidently predict a most successful session under the speakership of General Albert W. Gilchrist."

"Mr. Gilchrist was unanimously elected to represent his great county; he has been unanimously nominated by our caucus to preside over our deliberations for the next two months, and now it is but fitting that he be unanimously given the honor of the speakership of this House of Representatives."

"Mr. Speaker, I present to the House for election as speaker the name of Hon. Albert W. Gilchrist of the county of DeSoto."

# Danderine

GREW MISS LEWIS' HAIR

AND WE CAN

## PROVE IT

The Great Danderine Never Fails to Produce the Desired Results

MISS Lewis' hair was very thin and it was less than two feet in length when she began using Danderine. She says her hair and scalp are now fairly teeming with new life and vigor.

That's the main secret of this great remedy's success as a hair grower. It enlivens, invigorates and fairly electrifies the hair glands and tissues of the scalp, causing unusual and unheard-of activity on the part of these two most important organs, resulting in a strenuous and continuous growth of the hair.

The following is a reproduction of Miss Lewis' last letter:

January 3, 1905.  
Dear Doctor Knowlton:—  
You know I told you in my first letter that my hair would not reach much below my shoulders, and that all of it together only made one tiny braid.  
I am sending you my photograph, which I had taken at Stevens Bros. It tells the whole story better than I can tell it.  
Everybody I know is using Danderine, so you see I am doing something to show my appreciation.  
Sincerely yours, (Miss) EVA LEWIS.

Danderine makes the scalp healthy and fertile and keeps it so. It is the greatest scalp fertilizer and therefore the greatest hair-producing remedy the world has ever known. It is a natural food and a wholesome medicine for both the hair and scalp. Even a 25c bottle of it will put more genuine life in your hair than a gallon of any other hair tonic ever made. It shows results from the very start.

NOW at all druggists in three sizes, 25 cents, 50 cents and \$1. per bottle.  
FREE. To show how quickly Danderine acts we will send a large sized free by return mail to any one who sends this advertisement to the Knowlton Danderine Co., Chicago, with their name and address and 10 cents in silver or stamps to pay postage.
